

Girlguiding UK

FOUNDER'S DAY FUN DAY!

Come and join us on this fun day in celebration of Guiding and Scouting. February 22nd is the Birthday of our Founder's Robert & Olive Baden Powell and we celebrate this day every year. Usually we do this at a Founder's Day/Thinking Day church service but this can mean that some children do not attend.

Our invitation this year, is to join us at the Ark at 11.15 on the 26th of February for a short service at the church, during which we will all remake our Promise. Then we will make our way to the beach by Fuengirola Castle (arrive about 1.30) to one of the boats where we will have a BBQ lunch. Activities such as a fun "wide game" suitable for all ages will be arranged, to keep everyone occupied whilst we cook.

After everyone is full, we will have a daylight campfire with lots of silly songs and sketches. Parents are invited to stay all day with their kids but you can leave them if you wish. Finish at 6pm - picked up from the beach please

The price for lunch and the afternoon entertainment is just €5.00 each (with discounts for families). This will include a BBQ and snacks. If adults would like to bring a bottle or two to accompany your picnic you are welcome. Soft drinks will be provided. This will be a great opportunity to get all the units together and we hope that you and/or your children can attend.

Please provide me with the following tickets for the Founder's Day Fun Day.

FAMILY NAME:
(Child's full name if on individual ticket)

SECTION:

FAMILY TICKET FOR 4 or more:
With at least one adult
